Los Angeles, CA 90012

Dear Supervisors:

**COUNTYWIDE SMART GARDENING PROGRAM VIDEO PRODUCTION
ALL SUPERVISORIAL DISTRICTS
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Award the contract for the "Countywide Smart Gardening Program Video Production" to Showreel International, Inc., a California corporation, located in Hollywood, California. This contract will be for a period of 12 months, commencing on the first Monday of the month following Board approval.
2. Authorize the contractor to proceed with the work in accordance with the contract's specifications, terms, conditions, and requirements.
3. Authorize Public Works to encumber an amount not to exceed \$246,691 which represents the contractor's proposed price to produce the video. Of this amount, \$150,000 is available in Public Works' 2003-04 Solid Waste Management Fund with the balance of \$96,691 being requested in 2004-05.
4. Delegate authority to the Director of Public Works to execute this contract, or to terminate the contract in accordance with its terms if, in the opinion of the Director, termination is warranted.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to develop a video as an effective method of increasing Los Angeles County residents awareness of best practices of yard waste management techniques, including composting, worm composting, grass recycling, water-wise gardening, and fire-wise gardening which together constitute the Countywide Smart Gardening Program. The program was approved by your Board on October 21, 2003. This video will be an important program component by allowing County residents that cannot attend smart gardening workshops to view yard waste management techniques in their homes.

Implementation of Strategic Plan Goals

This action is consistent with the County's Strategic Plan Goals of Organizational Effectiveness and Children and Families' Well-Being. This contract will improve internal operations through the utilization of this contractor's expertise to effectively produce this video in a timely and professional manner, as well as having a finished video which will improve the quality of life in the County.

FISCAL IMPACT/FINANCING

This contract is for an amount not to exceed \$246,691. This amount is based on the contractor's proposed price to produce the video. This contract will commence on the first Monday of the month following Board approval for a period of 12 months. In any event, this contract may be canceled or terminated at any time by the County without cause upon the giving of at least 30 days' written notice to the contractor.

Funds are available (\$150,000) in Public Works' 2003-04 Solid Waste Management Fund. Funds to finance the contract's remaining amount (\$96,691) will be requested through Public Works' 2004-05 annual budget process for the Solid Waste Management Fund. There will be no impact on net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Prior to the Director executing this contract which will be substantially reflected in Enclosure A, the contractor will sign and County Counsel will review it as to form.

ENVIRONMENTAL DOCUMENTATION

This recommended contract does not constitute a project as defined by the California Environmental Quality Act (CEQA) and therefore is not subject to the provisions of CEQA.

CONTRACTING PROCESS

On September 4, 2003, Public Works solicited proposals from 605 independent contractors and community business organizations to accomplish this work. Also, notice of proposal availability was placed on the County's bid website (Enclosure B) and an advertisement was placed in the Los Angeles Times.

On October 23, 2003, ten proposals were received. The proposals were first reviewed to ensure they met the mandatory requirements outlined in the Request for Proposals (RFP). Having met these requirements, they were then evaluated by an evaluation committee consisting of Public Works staff. The committee's evaluation was based on criteria described in the RFP which included price, experience, work plan, and proposer capability. Based on this evaluation, Public Works is recommending that a contract be awarded to Showreel International, Inc., a California corporation, located in Hollywood, California, who was found to be the most responsive and responsible proposer.

Enclosure C reflects the proposers' minority participation. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

This contract contains Board-approved contract terms and conditions regarding current and new employee notification of the Federal-earned income tax credit, agreement to maximize to the extent possible the use of recycled-content paper products, contractor responsibility and debarment, jury service requirements, no payment for services received after contract expiration or termination, and the Safety Surrendered Baby Law.

Public Works has confirmed that the Child Support Services Department has received the contractor's Principal Owner Information Form in compliance with Los Angeles County Code, Chapter 2.200 (Child Support Compliance Program).

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

The Honorable Board of Supervisors
January 22, 2004

As requested by your Board, the contractor has submitted a safety record which, in our opinion, reflects that activities conducted by the contractor in the past have been according to reasonable standards of safety.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that this contractor will not be requested to perform services which will exceed the contract's approved amount, scope of work, and/or terms.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees.

CONCLUSION

One approved copy of this letter is requested.

Respectfully submitted,

PART I
SPECIFICATIONS AND CONDITIONS FOR
COUNTYWIDE SMART GARDENING PROGRAM VIDEO PRODUCTION

SECTION 1

WORK REQUIRED/PROPOSAL SUBMISSION

A. Work Required

Persons who wish to contract with the County may respond to this Request for Proposals (RFP) by submitting a Proposal in the form described in the following Sections and Attachments. Proposers are instructed to carefully read these Terms, Requirements, Specifications, Conditions, Attachments, and Exhibits.

The work to be accomplished under these Specifications is to develop a video to be an effective method of outreach to a targeted audience for the Countywide Smart Gardening Program. The video production shall be of broadcast quality and shall focus on increasing awareness of the Smart Gardening Program and emphasizing benefits and need for participation in yard waste management techniques: composting, worm composting, grass recycling, water-wise gardening, and fire-wise gardening.

The goal of the video outreach is to increase residents' awareness and practice of these yard waste management techniques and the Smart Gardening Program overall.

The targeted audience for the Smart Gardening Program and the proposed video includes residents of the County, primarily adults ages 35 to 64; older residents (65+) who have more leisure time to enjoy gardening; do-it-yourselfers with an environmental awareness; middle-class, single-family homeowners who enjoy gardening on a part-time basis; and to a lesser extent, school children in grades 4-12.

B. Proposal Format and Contents

Proposals shall be submitted in the sequence, with the content, and according to the format stated below. Failure to provide the required information or comply with these guidelines may be a basis for rejection of the Proposal. Include the following in the order stated:

1. Title page which indicates the Proposer's name, project title, and date of submission.
2. Comprehensive Table of Contents for material included in the Proposal.

3. Introductory letter (optional).
4. A comprehensive description of the Proposer's capabilities, as listed below, in sufficient detail and scope to provide for a meaningful evaluation, comparison, and assessment.
 - Background and experience
 - Organization
 - Principals (include resumes)
 - Key staff (include resumes)
5. Work Plan of Action/Approach which describes the procedures, general concepts, and creative approach that will be employed in meeting the objectives outlined in Part I, Section 2, Scope of Work, as well as a time schedule. If subcontractors are proposed to be utilized, a description of the qualifications of these persons/agencies, their tasks, and experience shall be included. The Work Plan shall identify the Proposer's proposed activities to achieve the desired results of the broadcast video and methods to monitor, evaluate, and report progress of the production.

The Work Plan shall include the following major tasks:

- a. Task One - Pre-Production and Development. Several approaches may be considered including:
 - i. a 3-part video on the different components of the County's Smart Gardening Program, totaling 45 minutes, and potentially produced in partnership with, or with in-kind support from, a local or national home improvement retailer or other gardening/water-conservation organization; or
 - ii. two 30-minute videos (broadcast time approximately 22 minutes each) produced as actual episodes of a home improvement or a gardening show currently being broadcasted on network, local, or cable television; or
 - iii. a video produced with the participation of a local landscape architecture school and promoting and demonstrating the Smart Gardening Program principles and techniques; or

- iv. a video produced with the cooperation of a local home builder/developer and/or landscape architect choosing to use the Smart Gardening Program principles and techniques as a means of complying with Los Angeles County Code, Title 26, Building Code, Section 7106.2 (see Exhibit A); or
 - v. alternative approaches that the Contractor believes may be more effective in achieving the Contract's objective than those listed above may be proposed by the Contractor in the Proposal.
- b. Task Two - Production and Post-Production
 - c. Task Three - Reproduction
 - d. Task Four - Monitoring, Evaluating, and Reporting

6. Subcontractors

The County seeks diverse, broad-based participation in its contracting. Subcontractors, if any, shall be subject to all requirements set forth in the RFP that are applicable to contractors in general. If subcontractors are to be employed, you must submit a statement of their proposed assignments, qualifications, experience, staffing, and schedules. In addition to this statement, the following forms must be completed and submitted for each subcontractor contemplated:

- Contractor's Industrial Safety Record;
 - Conflict of Interest Certificate;
 - Proposer's/Offeror's EEO Certification;
 - GAIN/GROW Employment Commitment Form;

 - Principal Owner Information Form (submit directly to Child Support Services Department and submit a copy with Proposal);
 - Child Support Compliance Program Certification (submit directly to Child Support Services Department and submit a copy with Proposal); and
 - Employee Jury Service Program Application for Exception and Certification Form.
7. Provide copies of the company's financial statements prepared by a certified public accountant for the last three full fiscal years. Statements should include the company's assets, liabilities and net worth. At a minimum, statements must include a balance sheet (statement of financial position), income statement

(statement of operations), and retained earnings statement. If audited statements are available, these should be submitted. Income tax returns and personal financial records are unacceptable. Financial records will not be held confidential unless they are properly designated as trade secrets in accordance with Part II, Section 2.0, Disclosure of Contents of Proposals.

8. Submit copies of the Proposer's licenses and certifications required to perform the work, if any.
9. Submit proof of current, valid insurance coverage that meets the RFP requirements, or a statement acknowledging that the required insurance coverage will be provided prior to commencing work under the contract.
10. Proposers should include in their proposals at least one representative sample of a VHS format video they have produced that demonstrates their ability to produce the video described in this RFP.
11. Additional data and material not specifically requested for evaluation, but which the Proposer feels is essential, must appear in the last section. If there is no additional data the Proposer wishes to present, this section will consist of the statement: "There is no additional data we wish to present."
12. Forms List

Complete and submit the following forms, which are included in the RFP package:

- Schedule of Prices (Part I, Section 6);
- Declaration for Proposal;
- Proposal;
- Contractor's Industrial Safety Record;
- Conflict of Interest Certification;
- Equal Employment Opportunity (EEO);
- Proposer's Reference List;
- List of Subcontractors;
- Request for Local Small Business Enterprise (SBE) Preference Program Consideration and CBE Firm/Organization Information Form;
- GAIN/GROW Employment Commitment;
- Principal Owner Information Form (submit directly to Child Support Services Department and submit a copy with Proposal)
- Child Support Compliance Program Certification (submit directly to Child Support Services Department and submit a copy with Proposal); and

- Jury Service Program Application for Exception and Certification.

C. Proposal Submission

1. Proposals shall be submitted with four complete copies (one original and three copies) of the Proposal and any accompanying documents. Please note that only one copy of the Proposer's sample video should be submitted. Proposals received after the closing date and time will be rejected by Public Works as nonresponsive.
2. Submit Proposals to the County of Los Angeles Department of Public Works' Lobby Cashier, 900 South Fremont Avenue, Alhambra, California 91803, in a package which clearly identifies this Request for Proposals and the name of the Proposer. Proposals will be officially received by Public Works only when accepted and time stamped by the Lobby Cashier. It is the responsibility of the Proposer to instruct delivery services, such as United Parcel Service or Federal Express, to deliver Proposals directly to the Lobby Cashier. Proposals not delivered to the Lobby Cashier may be delayed in being officially time stamped by the Lobby Cashier and may miss the Proposal submission deadline. While Proposals received at Public Works' Mail Center through the United States Postal Service will be forwarded to the Lobby Cashier as quickly as possible, the Mail Center will not time stamp proposals. Public Works will not be responsible for any delays or missed deadlines for proposals that are not delivered directly to the Lobby Cashier.

D. GAIN/GROW Program

As a threshold requirement for consideration for contract award, Proposers shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services' Greater Avenue for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment opening if they meet the minimum qualifications for that opening. Additionally, Proposer shall attest to a willingness to provide employed GAIN/GROW participants access to Proposer's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for contract award (see Part I, Section B.12, Forms List).

E. Child Support Compliance Program

Proposers must certify in accordance with the provisions of Section 2.200.060 of the County Code that: 1) the Principal Owner Information Form (attached) has been appropriately completed and provided to the Child Support Services Department with respect to the Proposer's Principal Owners; 2) the Proposer has fully complied with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 3) the Proposer has fully complied with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignments and continues to maintain compliance. Such certification must be submitted on the Child Support Compliance Program Certification (see Part I, Section B.12, Forms List). Failure by the Proposer to provide the Principal Owner Information Form and the Child Support Compliance Program Certification Form to the Child Support Services Department will be grounds for a finding by the County that the Proposal is nonresponsive.

F. Jury Service Program

1. The resultant contract from this RFP will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program," Los Angeles County Code, Chapter 2.203). Proposers should carefully read the pertinent jury service provisions in Part II, Section 3.V. The Jury Service Program applies to both contractors and their subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered nonresponsive and excluded from further consideration.
2. The Jury Service Program requires contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a contractor's full-time California employees, even those not working specifically on the County project.

3. There are two ways in which a contractor might not be subject to the Jury Service Program. The first is if the contractor does not fall within the Jury Service Program's definition of "contractor." The Program defines "contractor" to mean a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to contractors that have: 1) ten or fewer employees; and, 2) annual gross revenues in the preceding 12 months which, if added to the annual amount of this contract is less than \$500,000; and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.
4. If a contractor does not fall within the Jury Service Program's definition of "contractor" or if it meets any of the exceptions to the Jury Service Program, then the contractor must so indicate in the Certification Form and Application for Exception (see Forms List above) and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the contractor's application, the County will determine, in its sole discretion, whether the contractor falls within the definition of contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

G. Local Small Business Enterprise Preference Program

In evaluating proposals, the County will give preference to businesses that are certified by the County as a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204 of the Los Angeles County Code. Proposers who wish to be considered for this preference should do so using the attachment entitled Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form (see Part I, Section B.12, Forms List). A Certified Local SBE is a business: 1) certified by the State of California as a small business enterprise; 2) having its principal office currently located in Los Angeles County for a period of at least the past 12 months; and 3) certified by the Office of Affirmative

Action and Compliance as meeting the requirements set forth in 1 and 2 above. Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. County must verify Local SBE certification prior to applying the preference. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Website at <http://www.pd.dgs.ca.gov/smbus/default>.

You can obtain further information on certification from the County Website at <http://oaac.co.la.ca.us> or by calling (213) 974-0912.

H. Vendor Registration

Proposers must register online with the County's Web-based vendor registration system to facilitate the contract award process. Registration is accessible through the "Doing Business With Us" link on the County's Internet Home Page at www.lacounty.info.

SECTION 2

SCOPE OF WORK

A. Proposers' Conference

Prior to submission of a proposal, all proposers are required to attend a Proposers' Conference to be held at Public Works' Headquarters, in Conference Room B, 900 South Fremont Avenue, Alhambra, California 91803, **on Tuesday, September 23, 2003, at 1:30 p.m. ALL INTERESTED PROPOSERS MUST ATTEND THIS CONFERENCE.** **Proposals received from proposers not signed in as attending this Conference will be rejected as nonresponsive.** Proposers are encouraged to be prepared to ask questions concerning this Request for Proposals' requirements, specifications, terms, and conditions. Upon conclusion of the Proposers' Conference, Public Works will only provide further clarifications and/or answers concerning this solicitation through an addendum(s) to all who attended the conference.

B. Proposal Requirements and Conditions

Proposers are requested to review Part II, Section 2 - General Proposal Requirements and Conditions as well as the County's "Policy on Doing Business with Small Business" and the County's "Vision" statement (both attached).

C. Public Works' Project Manager

The Contractor's activities are subject to the oversight and approval of the Director of Public Works (Director). Normally the Project Manager will represent the Director. Public Works' Project Manager will be Mr. Lee Miller of Environmental Programs Division and can be contacted at (626) 458-3524, Monday through Thursday 7 a.m. to 5 p.m. The Project Manager is the only person authorized by Public Works to request work of the Contractor. From time to time, Public Works may change project managers. The Contractor shall be notified in writing when there is a change in project managers.

D. Background

It is estimated that residential yard waste represents approximately 15 to 20 percent of the total waste generated in the County. To continue its efforts to comply with the State-mandated solid waste diversion mandate of the California Integrated Waste Management Act (Assembly Bill 939), it is imperative for the County to continue to develop programs to divert as much of this waste from disposal as possible.

In 1996, Public Works established the Countywide Yard Waste Management Program (later re-named "Smart Gardening Program") to reduce the amount of residential yard/green waste currently being generated and disposed by County residents. The Smart Gardening Program currently has 12 permanent on-site demonstration centers at locations throughout the County, weekend Smart Gardening workshops, a booth for use at regional events, and a website maintained by Public Works staff at www.smartgardening.com.

Continuing aggressive and effective outreach is necessary to increase residents' awareness and practice of the yard waste management techniques of composting, worm composting, grass recycling, water-wise gardening, fire-wise gardening, and the overall Smart Gardening Program. A recent survey conducted for Public Works by BioContractors, Inc., in August 2002, indicates that interest in having one or more videos related to the five program components is a very popular idea, with over 70 percent of respondents indicating that they would be very interested or somewhat interested in having a video available. Although only 12 percent of the interested respondents preferred to get the Smart Gardening information in DVD format, Public Works believes that this number will increase in the coming years as more residents purchase and use DVD players in their homes. The data from the survey also show that nearly 75 percent of residents are willing to travel no more than ten miles to attend a workshop. Thus, having the Smart Gardening information in an alternative format such as a video will reach residents who, due to distance or other reasons, may not otherwise ever attend a program workshop. To this end, Public Works is soliciting innovative proposals from qualified parties who are able to produce a professional quality, engaging, and informative video to promote the Smart Gardening Program and its techniques directed to the targeted audience.

E. Work Description

The Contractor shall provide all work necessary to produce and deliver the video, from pre-production through post-production and reproduction, to the satisfaction of Public Works within the time allotted for the Tasks. Each aspect of the Tasks listed below in the production of the video shall be subject to review and approval of the Director/Project Manager.

The video shall be filmed or taped in a format appropriate to yield broadcast quality tapes for cable and network television, as well as VHS and DVD viewing copies. The Contractor shall provide a complete, broadcast quality professional product.

All legal rights, copyrights, and privileges regarding the video, in part or in whole, are retained by the County. No parts of the video may be used without the prior written consent of Public Works. However, the Contractor may retain

PART I - SPECIFICATIONS AND CONDITIONS (continued)

one final copy of the completed video to be included only in a portfolio of completed work by their company.

The video running time in its completed version shall be 45 minutes unless an alternative is proposed by the Contractor and agreed to by the Director/Project Manager (see Part I, Section 1, B.5a). The video is expected to have a usable lifetime of at least five years, so appropriate rights, licenses, releases, and other necessary documents providing the County with full unrestricted use of the video for at least five years shall be provided.

1. Task One: Pre-Production and Development

Task One includes the pre-production and development of an informative and engaging video, addressing the principles and techniques of the Smart Gardening Program.

- a. The Contractor shall develop storyboards, narratives, scripts, and any other necessary items in consultation with Public Works. The Contractor shall also arrange for equipment, personnel, and talent acquisition, props, filming locations, necessary permits, and all other required elements necessary for Task Two.
- b. A presentation shall be made by the Contractor to the Director/Project Manager and selected Public Works staff upon the proposed completion of Task One. The Director/Project Manager will give a final review and approval of the storyboards, narratives, scripts, filming locations and other aspects of the project. Upon receipt of the Director/Project Manager's written approval of Task One, the Contractor shall begin Task Two.

2. Task Two: Production and Post-Production

Task Two shall include the production, filming or taping, editing, and any other production/post-production procedures necessary to produce a professional, engaging, and informative video product.

The style, camera technique, lighting, special effects, sound quality, direction, and acting shall be professional quality and shall remain consistent with the script agreed upon during pre-production meetings with Public Works in Task One. Any acting, narration, and/or animation shall be provided by professionals who are current members of the appropriate unions or trade organizations that represent their profession.

Upon the proposed completion of Task Two, the Contractor shall make a presentation to Public Works staff for review and approval. Upon approval of the video product,

the Contractor shall produce a Spanish version of the approved video, either by dubbing, adding subtitles, and/or an alternative method approved by the Director/Project Manager. Upon written approval of Task Two by Public Works, the Contractor shall begin Task Three.

3. Task Three: Reproduction

Upon completion of Task Two, the Contractor shall begin reproducing the approved videos. The Contractor shall deliver a total of 22,000 copies of the videos in VHS and DVD formats (2,000 in VHS, 500 of which shall be in Spanish; and 20,000 in DVD, 3,000 of which shall be in Spanish). The County estimates that this item will be approximately 10 percent of the overall cost. The videos in both formats shall come in appropriate media packaging and have suitable cover art. Also, the Contractor shall provide three master copies on three-quarter-inch and/or beta format tapes suitable for broadcast, computer files of the video suitable for Internet downloading (supply separate versions for analog modems and broadband connections and for both the PC and Macintosh platforms, with no digital rights management restrictions), and all original tapes, storyboards, narratives, scripts, edit decision lists, and related materials to Public Works. The Contractor shall provide original documentation giving all appropriate rights, licenses, releases, and other necessary documents to the County allowing for full unrestricted use of the video for at least five years subsequent to the completion of Task Three.

4. Task Four: Monitoring, Evaluating, and Reporting

Throughout the contract period, the Contractor shall conduct monthly meetings, prepare agendas before meetings and subsequent minutes of each meeting, and submit monthly status reports for Public Works staff on the performance of Contract items.

a. Monthly Status Reports

- i. The Contractor shall during each of the 12 months of this Contract submit to the Director/Project Manager monthly status reports that include a comprehensive list of accomplishments achieved in the past month and action items for the upcoming month as well as other information deemed to be necessary by the Director/Project Manager.
- ii. The status reports shall be submitted to the Director/Project Manager by the tenth day of the following month.

b. Monthly Meetings

- i. The Contractor shall during each of the 12 months of this Contract, schedule and conduct monthly meetings with the Director/Project Manager for a review and an update on previous month's performance of Contract items.
- ii. The monthly meetings shall be scheduled between the 15th and 20th day of each month with the Director/Project Manager's approval.

c. Agendas For Meetings

The agenda for the scheduled monthly meeting shall be submitted by the Contractor to the Director/Project Manager at least four working days before that meeting.

d. Minutes of Monthly Meetings

The County reserves the right to award the Contract to the Proposer whose Proposal provides the most beneficial program and price, with all other factors considered. The awardee shall sign and return this Contract, together with copies of the required insurance certification, within 14 days after notification by Public Works of intent to recommend award of this Contract to the Board.

B. Final Contract Award by Board

Notwithstanding a recommendation of a department, agency, individual, or other, the Board retains the right to exercise its judgment concerning the selection of a proposal and the terms of any resultant agreement, and to determine which proposal best serves the interest of the County. The Board is the ultimate decision making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

C. Legal Status of Contractor's Personnel

D. County Lobbyists

Each County lobbyist, as defined in the Los Angeles County Code Section 2.160.010, retained by Proposer submitting a response to this Request for Proposals or Contractor awarded this Contract shall be in full compliance with Chapter 2.160 of the Los Angeles County Code. The

Proposer's/Contractor's signature on the Proposal/Contract is its certification that it is in full compliance with Chapter 2.160. Failure on the part of any County lobbyist retained by Proposer/Contractor to fully comply with the County Lobbyist Ordinance shall be sufficient cause for rejection of the Proposal or shall constitute a material breach of this Contract upon which the County may immediately terminate or suspend this Contract.

E. Evaluation of Proposals

All responses to this Request for Proposals become the property of the County. Upon receipt of the Proposal as specified and evaluation of Proposals in accordance with the evaluation criteria set forth below, Public Works may recommend the award of a Contract to one or more of those submitting Proposals. The proposed Contract will be submitted to the Board for consideration and possible approval.

The County may require whatever evidence it deems necessary relative to the Proposer's financial stability. Proposers' financial statements and other portions of the Proposal may be reviewed by the Public Works financial staff in order to assist the evaluators.

The County reserves the sole right to judge the Proposer's written and oral representations. The County may make onsite inspections of Proposer's current jobs.

Public Works may, at its option, invite some or all of the Proposers to make a presentation and participate in an interview before a final selection is made.

F. Evaluation Criteria

The evaluation criteria to be used in the selection process will include, but are not limited to the following considerations:

1. Proposals will first be reviewed on a Pass/Fail basis. Proposals not meeting all of these requirements may be rejected as nonresponsive:
 - a. Proposal was time stamped by the Cashier prior to the deadline for submission of the Proposal.
 - b. Proposer's Safety Record which reflects that the Proposer has provided services in a safe manner.
 - c. Proposer shows an ability to meet insurance requirements.
 - d. Proposer has met the GAIN/GROW requirements.

PART I - SPECIFICATIONS AND CONDITIONS (continued)

- e. Proposer has submitted to the Child Support Services Department the Principal Owner Information and Child Support Compliance Program Forms.
 - f. Proposer has submitted the Jury Service Program Certification Form and Application for Exception stating that it accepts and shall comply with the program requirements or establishing its entitlement to an exception to the program.
 - g. Proposer has signed all appropriate forms and Part I, Section 6, Schedule of Prices.
 - h. Proposer is signed in as attending the Proposers' Conference.
2. Proposals passing the first step will be evaluated based on the following:
- a. Proposed Price (30 points)

The proposed price should accurately reflect the Proposer's cost of providing the required services and any profit expected during the Contract term. The lowest Total Proposal Price quoted in the Schedule of Prices (Part I, Section 6), will receive the full weight of this evaluated item (30 points). Other Proposals will receive a prorated score calculated as follows: divide the lowest Total Proposal Price by each other Proposers' Total Proposal Price and multiply the result by the maximum possible points for this evaluation criterion (30 points). However, the Proposal with the lowest Total Proposal Price may not necessarily be awarded a contract.

In addition, should one or more of the Proposers request and be granted the Local SBE Preference, the price component points will be determined as follows:

Five percent (5%) of the lowest price proposed will be calculated, which shall not exceed \$50,000, and that amount will be deducted from the price submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference.

b. Experience (25 points)

The evaluators may award a maximum of 25 points for the quality and quantity of experience of the Proposer and its key personnel and subcontractors in providing the requested services to organizations.

Proposer's prior experience in successfully producing educational home improvement videos, especially educational videos related to residential solid waste management or residential gardening, will be viewed more favorably. Proposals will be evaluated on the quality and length of experience of Proposer's and subcontractors' principals and staff on similar tasks and projects.

The evaluation committee will review sample VHS format videos that are submitted.

Greater weight will be given to services provided to agencies of similar size and nature. The evaluators may consider the Proposer's description of its capabilities, resumes of key personnel (Part I, Section 1.B.4), and any other relevant information. Significant unacceptable weakness in quality or quantity of experience may result in a low or zero score. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

c. Work Plan of Action (25 points)

Scoring of the Proposer's detailed Work Plan will be based on the extent to which it demonstrates that the Proposer is likely to fulfill the tasks and requirements of the scope of work, respond to contingencies and emergencies, render timely and responsive service to Public Works, and demonstrate creativity and innovation that exceed the minimum requirements of the Scope of Work.

The evaluation committee may make this determination from all relevant information presented, which may include but is not limited to Proposer's Work Plan (Part I, Section 1.B.5) comprised of Proposer's staffing plan and programs for subcontracting, recruitment and replacement, supervision, supplies, equipment, safety, communications, and quality control.

Significant unacceptable weakness in any of the Work Plan subject areas may result in a low or zero score. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

d. Proposer Capability (20 points)

Proposals will be evaluated on the Proposer's demonstration of capability to fulfill the tasks listed in this Request for Proposals as supported by: relevant references and financial statements. Inadequate references or financial strength may result in a low or zero overall score in this category. A score of zero in this category is unacceptable and may result in rejection of the Proposal.

- References (12 points). Public Works will check at least three of the Proposer's references for overall satisfaction with Proposer's services, with priority given to services provided to other County departments. One or more unfavorable references may result in rejection of the Proposal.
- Financial Statements (8 points). Proposer's financial statements will be evaluated on the extent to which the statements demonstrate that the Proposer has financial and business stability ensuring it can perform the work throughout the term of the Contract. The evaluation committee may consult with Public Works financial management staff regarding this evaluation category. Financial statements or annual reports that are incomplete or unaudited (compiled, reviewed, or self-prepared) may be given less weight.

The County may, at its option, invite one or more of the Proposers to make an oral presentation to the Committee before a final selection is made. The County reserves the sole right to judge the Contractor's presentation, either written or oral.

SECTION 4

Proposals submitted by telegram and those which are not clocked in at Public Works' Headquarters Lobby Cashier before the date and hour set for receipt of the same will not be considered and will be returned to the Proposer unopened.

D. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer shall render their Proposal irregular and may cause its rejection.

E. Term of Proposals

All Proposals shall be firm offers and may not be withdrawn for a period of 120 days following the last day to accept Proposals.

F. Acceptance or Rejection of Proposals

The right is reserved to reject any or all Proposals not suitable in the judgment of the Board/Director to be in the best interests of the County/Public Works. In the event of any such rejection, the County will not be liable for any costs incurred in connection with the preparation and submittal of a Proposal.

Proposals signed by an agent other than an officer of a corporation or a member of a general co-partnership, must be submitted with a power of attorney authorizing such signature; otherwise, the Proposal will be rejected as irregular and unauthorized.

No Proposal will be considered unless the Proposer submits a Proposal for all requested items. If the solicitation document contains multi-Proposal requests, no Proposal will be considered unless the Proposer submits a price on all items within each category, though the Proposer may not be required to submit a price on all the categories.

G. Qualification of Proposer

No award will be made to any Proposer who cannot give satisfactory assurance as to its ability to carry out this Contract, based both on financial strength and experience as a contractor on work of the nature contemplated in the proposed Contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these Specifications. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry, including, but not limited to information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be sufficient cause for rejection of the Proposal.

H. Proposer's Safety Record

A review of the Proposer's safety record will be made before the award. Proposers are required to submit this information, with their Proposal, on the Contractor's Industrial Safety Record form provided. Nonsubmission or an adverse finding as to the Proposer's safety record may be sufficient cause for rejection of the Proposal.

I. Proposer's License Requirements

Proposers shall be properly licensed by the State of California to perform the work proposed under these Specifications. Lack of proper license at the time of submission of Proposal will be sufficient cause for rejection of the Proposal.

J. Wages, Materials, and Other Costs

It is the responsibility of the Proposer to calculate the Proposal price to take into consideration a possible escalation of wages, materials, and other costs during the contract period. The Board, County, Public Works, District, or Director do not presume what future costs may be or the rate of wages that may become necessary to pay employees of the Contractor for the work performed during the Contract period.

K. Qualifications of Subcontractors

Proposers shall list all subcontractors to be used on the List of Subcontractors form provided. The use of subcontractors shall be according to the provisions of Part II, Section 4, Paragraphs D and G. Subcontractors shall be properly licensed under the laws of the State of California for the type of work which they are to perform. Alternate subcontractors shall not be listed for the same work.

L. Opening of Proposals

Proposals will not be publicly opened.

M. Disqualification of Proposers

More than one Proposal from an individual, firm, or partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer has interest in more than one Proposal for the work contemplated will cause the rejection of all Proposals in which such Proposer has interest. If there is reason for believing that collusion exists among the Proposers, none of the participants in such collusion will be considered in this or future Proposals.

N. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered,

the unit price and the corrected extension will be considered as representing the Proposer's intentions.

If the total amount is entered for the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Proposer's intentions.

If the items are incorrectly totaled, the corrected total will be considered as representing the Proposer's intentions.

O. Disclosure of Contents of Proposals

All Proposals in response to the solicitation document will become the exclusive property of the County. At such time as Public Works recommends the award of this Contract to the Board and that letter appears on the Board's agenda, all Proposals will become a matter of public record and will be regarded as public records, except those parts of each Proposal which are defined by the Proposer as business or trade secrets, and plainly marked as "trade secret." Designation of all or substantial portions of the Proposal as "trade secret" or inappropriate designation of portions of the Proposal as "trade secret" may result in the Proposal being rejected as nonresponsive. The County will not in any way be liable or responsible for the disclosure of any such records, or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law.

P. Gratuities

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion, or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of this Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of this Contract.

A Proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at

(213) 974-0914 or (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being eliminated from consideration. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment or tangible gifts.

Q. Determination of Proposer Responsibility

1. A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed contract. It is the County's policy to conduct business only with responsible contractors.
2. Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.
3. The County may declare a Proposer to be non-responsible for purposes of this proposed Contract if the Board, in its discretion, finds that the Proposer has done any of the following: (1) committed any act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform this proposed Contract with the County or a contract with any other public entity, or engaged in a pattern or practice which negatively reflects on same, (2) committed an act or omission which indicates a lack of business integrity or business honesty, or (3) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for Public Works'

recommendation. If the Proposer fails to avail itself of the opportunity to rebut Public Works' evidence, the Proposer may be deemed to have waived all rights of appeal.

5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.
6. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

R. Proposer Debarment

1. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding on other County contracts for a specified period of time, not to exceed 3 years, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board finds, in its discretion, that the Proposer has done any of the following: (1) violated any term of a contract with the County, (2) committed any act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.
2. If there is evidence that the highest rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. If the Proposer fails to avail itself of

the opportunity to submit evidence to the Contractor Hearing Board, the Proposer may be deemed to have waived all rights of appeal.

4. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
5. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

No performance of this Contract or any portion thereof may be subcontracted by the Contractor without the express written consent of the County. Any attempt by the Contractor to subcontract any performance of the terms of this Contract without the express written consent of the County shall be null and void and shall constitute a breach of the terms of this Contract. In the event of such a breach, this Contract may be terminated forthwith.

Public Works reserves the right to cancel these services, upon giving 14 days' written notice, if the services are deemed unsatisfactory in the opinion of the Director.

B. Convenience

It is not the intent of the County to terminate this Contract before the completion of all items except for sound business reasons of which the County shall be the sole judge, however, and notwithstanding:

1. The County reserves the right to renegotiate the terms of this Contract to reduce the Contractor's compensation in the event such reduction is necessary, in the sole discretion of the County, to achieve County budget reductions. Nothing in this paragraph is intended to diminish the County's right to terminate this Contract as provided herein.
2. The County may at any time terminate this Contract, or any portion thereof, without liability (except as hereinafter provided) by delivering to the Contractor written notice specifying the desired termination date at least 30 days in advance thereof.
3. D. Termination Claim

If this Contract is terminated, the Contractor shall, within 60 days after the Notice of Termination, submit to the County its termination claim.

After such determination is made, the County will pay the Contractor the amount so determined.

PART III
STANDARD TERMS AND CONDITIONS
LOS ANGELES COUNTY SERVICES CONTRACTS

A. Limitation of the County's Obligation Due to Non-appropriation of Funds

1. The County's obligation is payable only and solely from funds appropriated for the purpose of this Contract.
2. All funds for payments after June 30 of the current fiscal year are subject to the County's legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action.
3. In the event this Contract extends into succeeding fiscal year periods, and if the governing body appropriating the funds does not allocate sufficient funds for the next succeeding fiscal year's payments, then the affected equipment and/or services shall be terminated as of June 30 of the then current fiscal year. The County shall notify the Contractor in writing of such non-allocation at the earliest possible date.

B. Nondiscrimination in Employment

The Contractor shall allow the County representative access to its employment records during regular business hours to verify compliance with the provisions of this section when so requested by the County.

If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which the County may determine to cancel, terminate, or suspend this Contract. While the County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated State or Federal antidiscrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the antidiscrimination provisions of this Contract.

The parties agree that in the event the Contractor violates the antidiscrimination provisions of this Contract, the County shall, at its option, be entitled to a sum of \$500 pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Contract.

C. Assignment

This Contract, or any interest therein, including any claims for monies due or to become due with respect thereto, may only be assigned upon the written consent of the Director and any prohibited assignment shall be null and void. Any payments to any assignee of any claim under this Contract, in consequence of each consent, shall be subject to set-off, recoupment, or other reduction for any claim which the County may have.

D. Assurance of Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000e through 2000e(17), to the end that no person shall, on the grounds of race, creed, color, gender, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

E. Compliance with Laws

1. The Contractor agrees to comply with all applicable Federal, State, and local laws, rules, regulations, or ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference.
2. The Contractor agrees to indemnify and hold the County harmless from any loss, damage, or liability resulting from a violation on the part of the Contractor of such laws, rules, regulations, or ordinances.

F. Covenant Against Contingent Fees

1. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.
2. For breach or violation of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from this Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

G. Governing Laws

This Contract shall be construed in accordance with and governed by the laws of the State of California.

H. Termination for Improper Consideration

County may, by written notice to Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, County shall be entitled to pursue that same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 554-6861. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment or tangible gifts.

I. Notice of Delays

Except as otherwise provided herein, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within five days, give notice thereof, including all relevant information with respect thereto, to the other party.

J. Record Retention and Inspection

The Contractor agrees that the County or any duly authorized representative shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, time cards, or other records relating to this Contract. Such material, including all pertinent costs, accounting, financial records, and proprietary data, shall be kept and maintained by the Contractor, at a location in Los Angeles County, for a period of five years after completion of this Contract unless the County's written permission is given to dispose of material prior to the end of such period.

K. Validity

The invalidity in whole or in part of any provision of this Contract shall not void or affect the validity of any other provision.

L. Waiver

No waiver of a breach of any provision of this Contract by either party shall constitute a waiver of any other breach of said provision or any other provision of this Contract. Failure of either party to enforce at anytime or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

M. Default for Insolvency

1. The County may cancel forthwith this Contract for default in the event of the occurrence of any of the following:
 - a. Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, and whether insolvent within the meaning of the Federal Bankruptcy Law or not.
 - b. The filing of a voluntary petition to have the Contractor declared bankrupt.
 - c. The appointment of a Receiver or Trustee for the Contractor.
 - d. The execution by the Contractor of an assignment for the benefits of creditors.

2. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

N. Default

1. The County may, subject to the provisions of Paragraph 3 below, by written notice of default to the Contractor, terminate the whole or any part of this Contract in any one of the following circumstances:
 - a. If the Contractor fails to perform the services within the time specified herein or any extension thereof; or
 - b. If the Contractor fails to perform any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of 10 calendar days (or such longer period as the County may authorize in writing) after receipt of notice from the County specifying such failure.
2. In the event the County terminates this Contract in whole or in part as provided in Paragraph "a" above, the County may procure, upon such terms and in such manner as the County may deem appropriate, services similar to those so terminated, and the Contractor shall be liable to the County for any excess costs for such similar services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this clause.
3. Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor.

Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of the Federal or State government in its sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the negligence of either

of them, the Contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.

4. If, after Notice of Termination of this Contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued pursuant to the Termination for Convenience of the County clause above (see Part II, Section 5).
5. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
6. As used herein, the terms "subcontractor" and "subcontractors" mean persons, companies, corporations, or other organizations furnishings supplies, services of any nature, equipment, or materials to Contractor, at any tier, under oral or written agreement.

0. Disclosure of Information

The Contractor shall not disclose any details in connection with this Contract to any party, except as may be otherwise provided herein or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publicizing its role under this Contract within the following conditions:

1. The Contractor shall develop all publicity material in a professional manner.
2. During the course of performance of this Contract, the Contractor, its employees, agents, and subcontractors shall not publish or disseminate commercial advertisements, press releases, opinions or feature articles using the name of the County without the prior written consent of the Chief Administrative Officer and County Counsel. The County shall not unreasonably withhold written consent and approval by the County may be assured in the event no adverse comments are received in writing within two weeks after submittal.

3. The Contractor may, without prior written permission of the County, indicate in its proposals and sales materials that it has been awarded a Contract to provide these services, provided that the requirements of this Article shall apply.

P. Notification

1. Notices desired or required to be given under these Specifications, Conditions, or Terms herein or any law now or hereafter in effect may, at the option of the party giving the same, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid in the United States Post Office or any substation thereof, or any public box, and any such notice and the envelope containing the same shall be addressed to the Contractor at its place of business, or such other place as may be hereinafter designated in writing by the Contractor. The notices and envelopes containing the same to the County shall be addressed to:

Assistant Director
County of Los Angeles Department of Public Works
P.O. Box 1460
Alhambra, CA 91802-1460

2. In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to the Contractor. Actual knowledge of such suspension or termination by an individual Contractor or by a copartner, if the Contractor is a partnership; or by the president, vice president, secretary or general manager, if the Contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said Contractor shall in any case be sufficient notice.

Q. Notice to Employees Regarding the Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. R. Contractor's Acknowledgment of County's Commitment to the Safely Surrendered Baby Law.

The Contractor understands that it is the County's policy to encourage all County contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business.
